SUMMARY

I'm an experienced Construction Project Director and Civil Engineer with a BSc in Civil Engineering from the University of Moratuwa, Sri Lanka, and Chartered Engineering status from the Institution of Engineering (UK) since 1990. With over 30 years of global experience, I've successfully led diverse construction projects. Proficient in project management, budgeting, and quality control, I excel in team coordination and client relations, consistently delivering on-time, within-budget projects.
